Museum of Florida Art hosts *Art:21 – Art in the Twenty-First Century Season Four* October 1, 2007

The Museum of Florida Art will be hosting two preview screenings for the PBS film series entitled *Art in the Twenty- First Century* on October 1, 2007. These programs will be free and open to the public. The first screening will be at noon and is entitled “Protest”. The screening will be followed by a discussion lead by Dr. Roberta Favis. The second program at 7 pm is entitled “Ecology” and will be followed by a discussion lead by Dr. John Wilton. We hope you will make an effort to join us for these fascinating screenings and discussions that cover the creative processes, inspirations, and ideas behind some of today’s most thought-provoking art and artists. Both events are free – reservations suggested.
